

July 1, 2014

Dear Valued Partner,

Re: Advantest (Singapore) Pte. Ltd. ("ASP") Exit from RF Instrument Sales and Services Business.

After a review of the Advantest RF Instrument Business, effective 1 August 2014, ASP will exit the RF Instrument's Sales and Services (Repair & Calibration) Business.

Advantest has Authorized Nihon Denkei Co., Ltd and its local subsidiaries to provide RF Instrument's Sales and Services support to our valued customers in Singapore, Malaysia, Thailand, Vietnam Philippine & Indonesia) effective 1st August 2014. Please refer to Annex A to for a listing of Nihon-Denkei's contact details in the region.

We thank you for choosing Advantest Instruments for Measurement solutions. If you have any Sales and Services support needs arising, please contact the Nihon-Denkei office in your region.

Advantest looks forward to continuing our partnership with you and working together closely with you to remain successful and thrive in the continually changing market.

Sincerely,
Paul Lau

CEO & Managing Director,
Advantest Singapore Pte Ltd.
